

GOING ON RECORD

superSTAR would like to go on record right now as to just how the newest songs sound to us!

Star Albums:

"DEEPLY"—Anson Williams. This is a great song by Anson! Slow and romantic, it's produced by Charlie Fox, and we're sure it's going to be a hit!

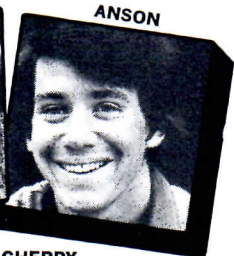

"BABY DON'T YOU KNOW"—Wild Cherry. Wild Cherry was picked as Billboard's 1976 Top Pop New Group, and this record may follow in the footsteps of "Play That Funky Music," one of the few singles that was ever certified platinum. It's danceable and fantastic!

"DA DO RON RON"—Laverne & Shirley. This is the girls' second single off their album, and it's a remake of the Crystals' hit from 1963. Sounds a lot like it, too!

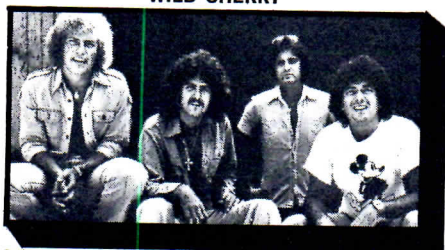

PENNY/CINDY

ANSON

WILD CHERRY

Star Singles:

"LUXURY LINER"—Emmylou Harris. She's a country-rocker and this album is one of her best. Some great lyrics on "Making Believe" and "When I Stop Dreaming." She's on tour in a month or so around the country.

"LOST WITHOUT YOUR LOVE"—Bread. This is their first record since they've gotten David Gates back, and "Belonging" on the album shows how much they needed

him! "Lost Without Your Love," the title song, is another favorite of ours.

"TEJAS"—Z. Z. Top. They're really promoted this one in the record industry, with "teaser" postcards and puzzles and posters to make everyone aware of the new album, and they do now! The record is quickly becoming a hit and the cover alone is worth the price!

STEVE

"LUCKY"—Steve March. Steve is singer Mel Torme's son and late actor Hal March's stepson! He's really got a lot of talent; if you can imagine a cross between Barry Manilow (voice) and Stevie Wonder (style), you've got it! His first LP is a goodie, with our favorites being "Damage" and "These Are The Times"! Steve, aside from being talented, is a crazy person. Keep an eye on him!

Glimmers:

Singles: OHIO PLAYERS' newest, "Feel The Beat (Everybody Disco)" makes you wish Disco would stay around for a while; but enough wishing, because it will. . . . ROGER WILLIAMS jumped on the bandwagon with "Theme from 'King Kong,'" and so did RICK DEES (famous for his "Disco Duck") with "Dis-Gorilla," which is hilarious! . . . ARETHA FRANKLIN has her first single out in a long time, "Look Into Your Heart," and it's one of her best, too.

Albums: "Person to Person" is a great two-record set of THE AVERAGE WHITE BAND. Arif Mardin produced it, and it's all live performances. . . . "Torn Between Two Lovers" is also the name of MARY MacGREGOR's album (her single was a hit!) and she sounds a bit like a soft Linda Ronstadt.
