

**TB STAR would like to go on record right now as to just how the newest songs sound to us!**

## Star Singles:

**SURFIN' U.S.A. — Leif Garrett.** Leif's second single (this one for Atlantic) certainly sounds different from his first! It's the Beach Boys' rockin' old hit, with Leif sounding deeper and more sexy than he ever has! Already on its way to the top!

**TEEN DREAM — Shaun Cassidy.** This song, which is on Shaun's second album, should be out any day! There was a quick "preview" of it on last season's "Hardy Boys" show (when Shaun sang in the disco), but it's completely finished now! Shaun wrote it—it's one of his favorites—and he says, "It could be about a teen idol, but it's really about teenage rebellion and there are a lot of hidden meanings!" (Warner)

**LOOK WHAT YOU'VE DONE TO MY HEART—Marilyn McCoo and Billy Davis Jr.** Yes, it's for sure that Marilyn and Billy are a winning team, because this single's gone right to the top, too. It's pretty disco-oriented, too, which certainly doesn't hurt these days. (ABC Records)

## Star Albums:

**DONALD CLARK OSMOND—Donny Osmond.** Donny's trying to 64

change his style a little bit—and we like it, we like it! You can never say Donny's a little boy after listening to this album (well, he HASN'T been for a while now, right, girls??). We like the ballads he does, especially. Yum!

**GREG & PAUL — Greg & Paul.** Greg Evigan and Paul Schaffer ("Year at the Top") wasted no time putting out an album of the great songs they do on their show! Lucky for us, too, because we couldn't have waited any longer—all the songs are so great! Our favorites are "We're Lovers After All," "Good Time Girl" and the "Year at the Top" theme! (Casablanca)

**CLASSICS—Paul Williams.** These aren't Paul's singing greatest hits, but the ones he wrote—which are plenty! "Evergreen" and "With One More Look At You" (from "A Star Is Born"), "We've Only Just Begun" and "I Won't Last A Day Without You"—and every song is a classic. (A&M Records)

## Glimmers:

**CAROLE KING's** "Simple Things" album is pretty much like her previous albums—it's really good! You can never miss her voice. . . . **BARBRA STREISAND's** working on another album, even though "Superman" is pretty new and (of course) a smash hit. . . . **FLEETWOOD MAC's** "Fleetwood Mac" album has been on the charts for two years! Their "Rumours" album is still way up there (it was #1 in Billboard's charts longer than STEVIE WONDER's Songs in the Key of Life!).
