

# GOING ON RECORD

**TB STAR** would like to go on record right now as to just how the newest songs sound to us!

## Star Singles:

**CALIFORNIA**—**Debby Boone**. Naturally, after "You Light Up My Life," this one *has* to be a hit! Besides, it's a good record!! It sounds laid-back and casual like California living is. (Warner Bros.)

**NIGHT FEVER**—**The Bee Gees**. Seems like they can't lose—another cut from the "Saturday Night Fever" album, and another reason that ALBUM is doing so darn well. This is disco-dancing time! (RSO)

**RAZZAMATAZZ**—**John Travolta**. This is his latest from his "John Travolta Album," and the single cut on the other side is "What Would They Say," which is the theme song from "The Boy in the Plastic Bubble" (and we're SURE you saw John in that!). (Midsong)

## Star Albums:

**LOST AND FOUND**—**Keith Caradine**. Asylum Records (Keith's label) is billing this album as "Everything You Expect—and

JOHN

DEBBY

More," and it *is* a pretty good album by Keith! Most songs he wrote himself. (Asylum)

**LAWRENCE-HILTON JACOBS**—**Lawrence-Hilton Jacobs**. You know him as "Boom Boom" Washington on "Welcome Back, Kotter," and this is his first album—and a really great one, we think! We like "What Kind of Man"—and the album cover!

## Glimmers:

**DONNA SUMMER**'s latest single "Rumour Has It!" was released because of the demand from people who played her album. She just got through playing Las Vegas at the Hilton there. . . . **ROBERTA FLACK**'s new single "The Closer I Get To You" is really romantic. It's from her "Blue Lights in the Basement" album. . . . **ROD STEWART**'s "Hot Legs" single is supposed to be about someone *other* than Britt Eklund! It's a hit with everyone *else*, though! . . . **JOHN DENVER**'s latest single is "It Amazes Me"—and it amazes us, too! . . .
