## SWINGING SOUNDS

### • BEST SINGLES

**Shaun Cassidy: "DO YOU BELIEVE IN MAGIC?"**

Shaun couldn't go wrong with any song he records—and this "oldie but goodie" proves it! It's a real good sing-a-long song and one of those that sticks in your mind after you've heard it only once! Whatever you do, don't let this one go by without snagging a copy of it. On a scale of 1 to 10, it's a definite 11!

**Santa Esmerelda: "THE HOUSE OF THE RISING SUN."** Santa Esmerelda has come out with a super disco version of an old Animals' classic. A big hit of the '60's, they've added Spanish guitars, a horn section and a dancing beat you'll love if you're a disco fan!

### • BEST ALBUMS

**Foster Sylvers: "FOSTER SYLVERS."** Foster, the youngest member of the Sylvers family (of "Hotline" fame), has a super L.P. and if you like his family's music, then you're going to want to listen to this. Some of his brothers wrote a few of the songs and his family backed him up on the vocals. You did a great job, Foster!

**Sweet: "LEVEL HEADED."** Sweet is a hot group and will get even hotter when this LP catches on. "California Nights," "Dream On," "Lettres D'Amour" and "Silverbird" are just some of the cuts that are highly recommended. And if you have an interest in album cover art work, this one is worth looking at!

**Dan Hill: "LONGER FUSE."** Dan Hill seemed to come out of nowhere with his smash hit, "Sometimes When We Touch," which is included on this album. Actually, he came out of Canada and his fans couldn't be happier. Dan's music is mellow, meaningful and lovely to listen to. Other prime cuts on the LP are "You Are All I See" and the title cut, "Longer Fuse."

**Status Quo: "ROCKIN' ALL OVER THE WORLD."** Status Quo is heavy rock and very good rock. They really "got their act together" for this album and if you're into this type of sound, you'll enjoy "Can't Give You More," "Let's Ride," "You Don't Own Me" and the title cut. A job well done! •
