SWINGING SOUNDS

• BEST SINGLES

Andrew Stevens: "HELPLESS IN LOVE." It used to be that singers were singers, actors were actors, musicians were musicians. Now we're finding actors are becoming musicians and singers and vice versa. In Andrew's case, he's made the cross-over beautifully and has a definite hit on his hands! Sweet lyrics and super music make this single a real charmer! (Warner-Curb)

Lane Caudell: "HANGING ON A STAR." Lane's single is from the album of the same name, and it's kind of a semi-soundtrack from his new movie called . . . "Hanging On A Star"! It's a pleasant pop-rock song, and Lane has a smooth, flowing voice—but not syrupy-sweet. "Hanging" has a rocking beat and it's one of those songs that's nice to listen to over and over! (MCA)

• BEST ALBUMS

Hot: "IF THAT'S THE WAY YOU WANT IT." Remember Hot from their hit single "The Angel In Your Arms"? With their debut song, they showed they've got what it takes to be great singers, and their new LP strengthens their position in the music industry even more! The title cut is their new single, and well worth a listen to. Some say they sound a little Rufus and Chaka Kahn. You'll like it! (Big Tree Records)

England Dan and John Ford Coley: "SOME THINGS DON'T COME EASY." This super duo has done it again! Come up with a winner, that is! This album contains their hit single, "We'll Never Have To Say Goodbye Again," plus lots of other nice tunes. Their easy-going style is evident on songs like "If The World Ran Out Of Love Tonight," "Beyond The Tears" and "Wanting You Desperately"—all are fantastic! (Big Tree)

Various: "DISCO PARTY." Groups like KC & The Sunshine Band and singers such as George McCrae and Betty Wright are featured on this album, which is filled to the brim with disco tunes. You can dance your heart away to the best of disco singers with this double LP—a definite bargain! (Marlin)

Kristy and Jimmy McNichol: "KRISTY & JIMMY McNICHOL." What better title to introduce two of the most talented young people around?! The album has Kristy's single "He's So Fine" on it, plus some other oldies but goodies like "My Boyfriend's Back" and "Rock & Roll Is Here To Stay." It's good right from the start! (RCA) •
