SWINGING SOUNDS

• BEST SINGLES

MARILYN McCOO & BILLY DAVIS JR.: "You Don't Have To Be A Star." The former members of that classic group, "The Fifth Dimension," strike out, with their second hit single in a row! Once again they prove what a talented couple they are! A soft rock tune that's made it to number six—is sure to go higher! (ABC)

• BEST ALBUMS

BOSTON: "Boston." A new sound, by a terrific new group! This album includes their chart topping single, "More Than A Feeling," and is definitely worth both your time, and your money. So don't wait another minute—Get It! (Epic)

HEART: "Dreamboat Annie." By the great group that brought us that dynamite single, "Magic Man." That's not the only song you'll flip for on this album, believe us, they're all good! What do we mean by that? Get the album and find out! You'll love it! It's on the "Mushroom" label.

BURTON CUMMINGS: "Portrait." Yet another newcomer, with a really great new album to his credit! The single released from this one is called "Stand Tall," which after only nine weeks on the chart, jumped to number eighteen—and is still jumping! You won't want to be without it! (CBS)

DR. HOOK: "A Little Bit More." Since their first hit song "Cover Of The Rolling Stone," Dr. Hook has been cranking out hit, after hit, after hit! This album, "A Little Bit More," and their latest single, by the same name, add yet another accomplishment to the fine talent that is Dr. Hook! (Capitol)

GORDON LIGHTFOOT: "Summertime Dream." The number 12 album on the charts, and what an album it is! Gordon's sexy, mellow voice should put you in a real romantic mood after just one song! Every Lightfoot fan won't want to be without it, and if you aren't a Lightfoot fan—get it! You most definitely will not be sorry! (Warner Bros.) ●
